### D Jetronic Manual

In 1974, the B20E/F engine switched from using the Bosch D-Jetronic to the K-Jetronic mechanical fuel injection system. Also, several safety changes were introduced including a fuel tank that was located close to the axle to protect it in the case of a rear-end collision, and larger bumpers that protruded more from the body. The quarter-light windows in the front doors were removed as a result ...
