In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his ...

With Volvo, 1965 saw a new model of the Amazon, the Favorit released, but the difference between this model and the standard two-door version was not particularly striking. In 1966 Volvo 144 was released. This new car model had been keeping Volvo's design engineers occupied for so long was, in terms of safety, extremely advanced. It had disc brakes all round, had a split steering column and ...
