Online Library Language And Mind Noam

Noam Chomsky postulated that the mechanism of language acquisition is derived from the innate processes. Innate is something which is already there in mind since birth. The theory proposed by Chomsky is proved by the children living in same linguistic community. Moreover, they are not influenced by the external experiences which bring about the

50 Noam Chomsky Quotes from the Father of Linguistics (2021)

Noam Chomsky's linguistics theory is controversial despite its importance. Thus, many scholars don't believe it's a good explanation of language acquisition and language functioning. This criticism is due to two factors. The first might

Online Library Language And Mind Noam Chomsky

be the way in which Chomsky explains the emergence of concepts in the mind. Moreover, the second is that Chomsky believes that certain syntactic
